WHAT RESTAURANTS
DO YOU RECOMMEND?

I really enjoy spicy food. My favorite condiment is Lao Gan Ma Chili Crisp. I use it with everything.

In Australia, I often ate eggs benedict with coffee in cafes. I also had baked beans on toast at home - its very simple to cook.

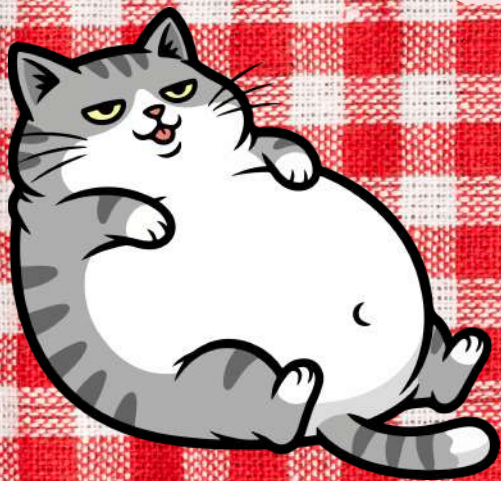

I really like cheese beef bowls. They're my guilty pleasure. I think I like Yoshinoya's the best.

When I lived in Kyushu, I lived above a tonkotsu ramen restaurant. Nearly every week, I ate the Hakata-style garlic tonkotsu ramen and gyoza from there.

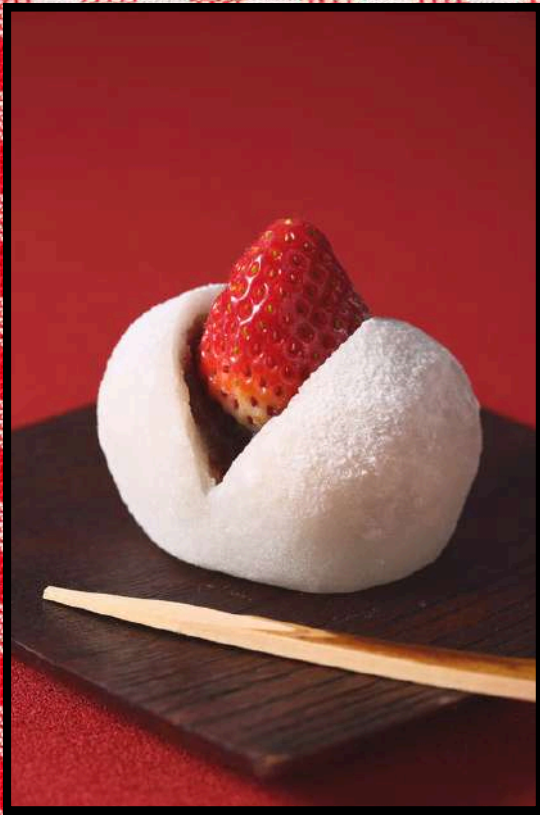

Lately, I have been trying to eat healthier foods, because I'm overweight...

I really like baked sweet potato and tofu. Soft tofu is delicious with chilli or soy sauce. I often eat mapo tofu.

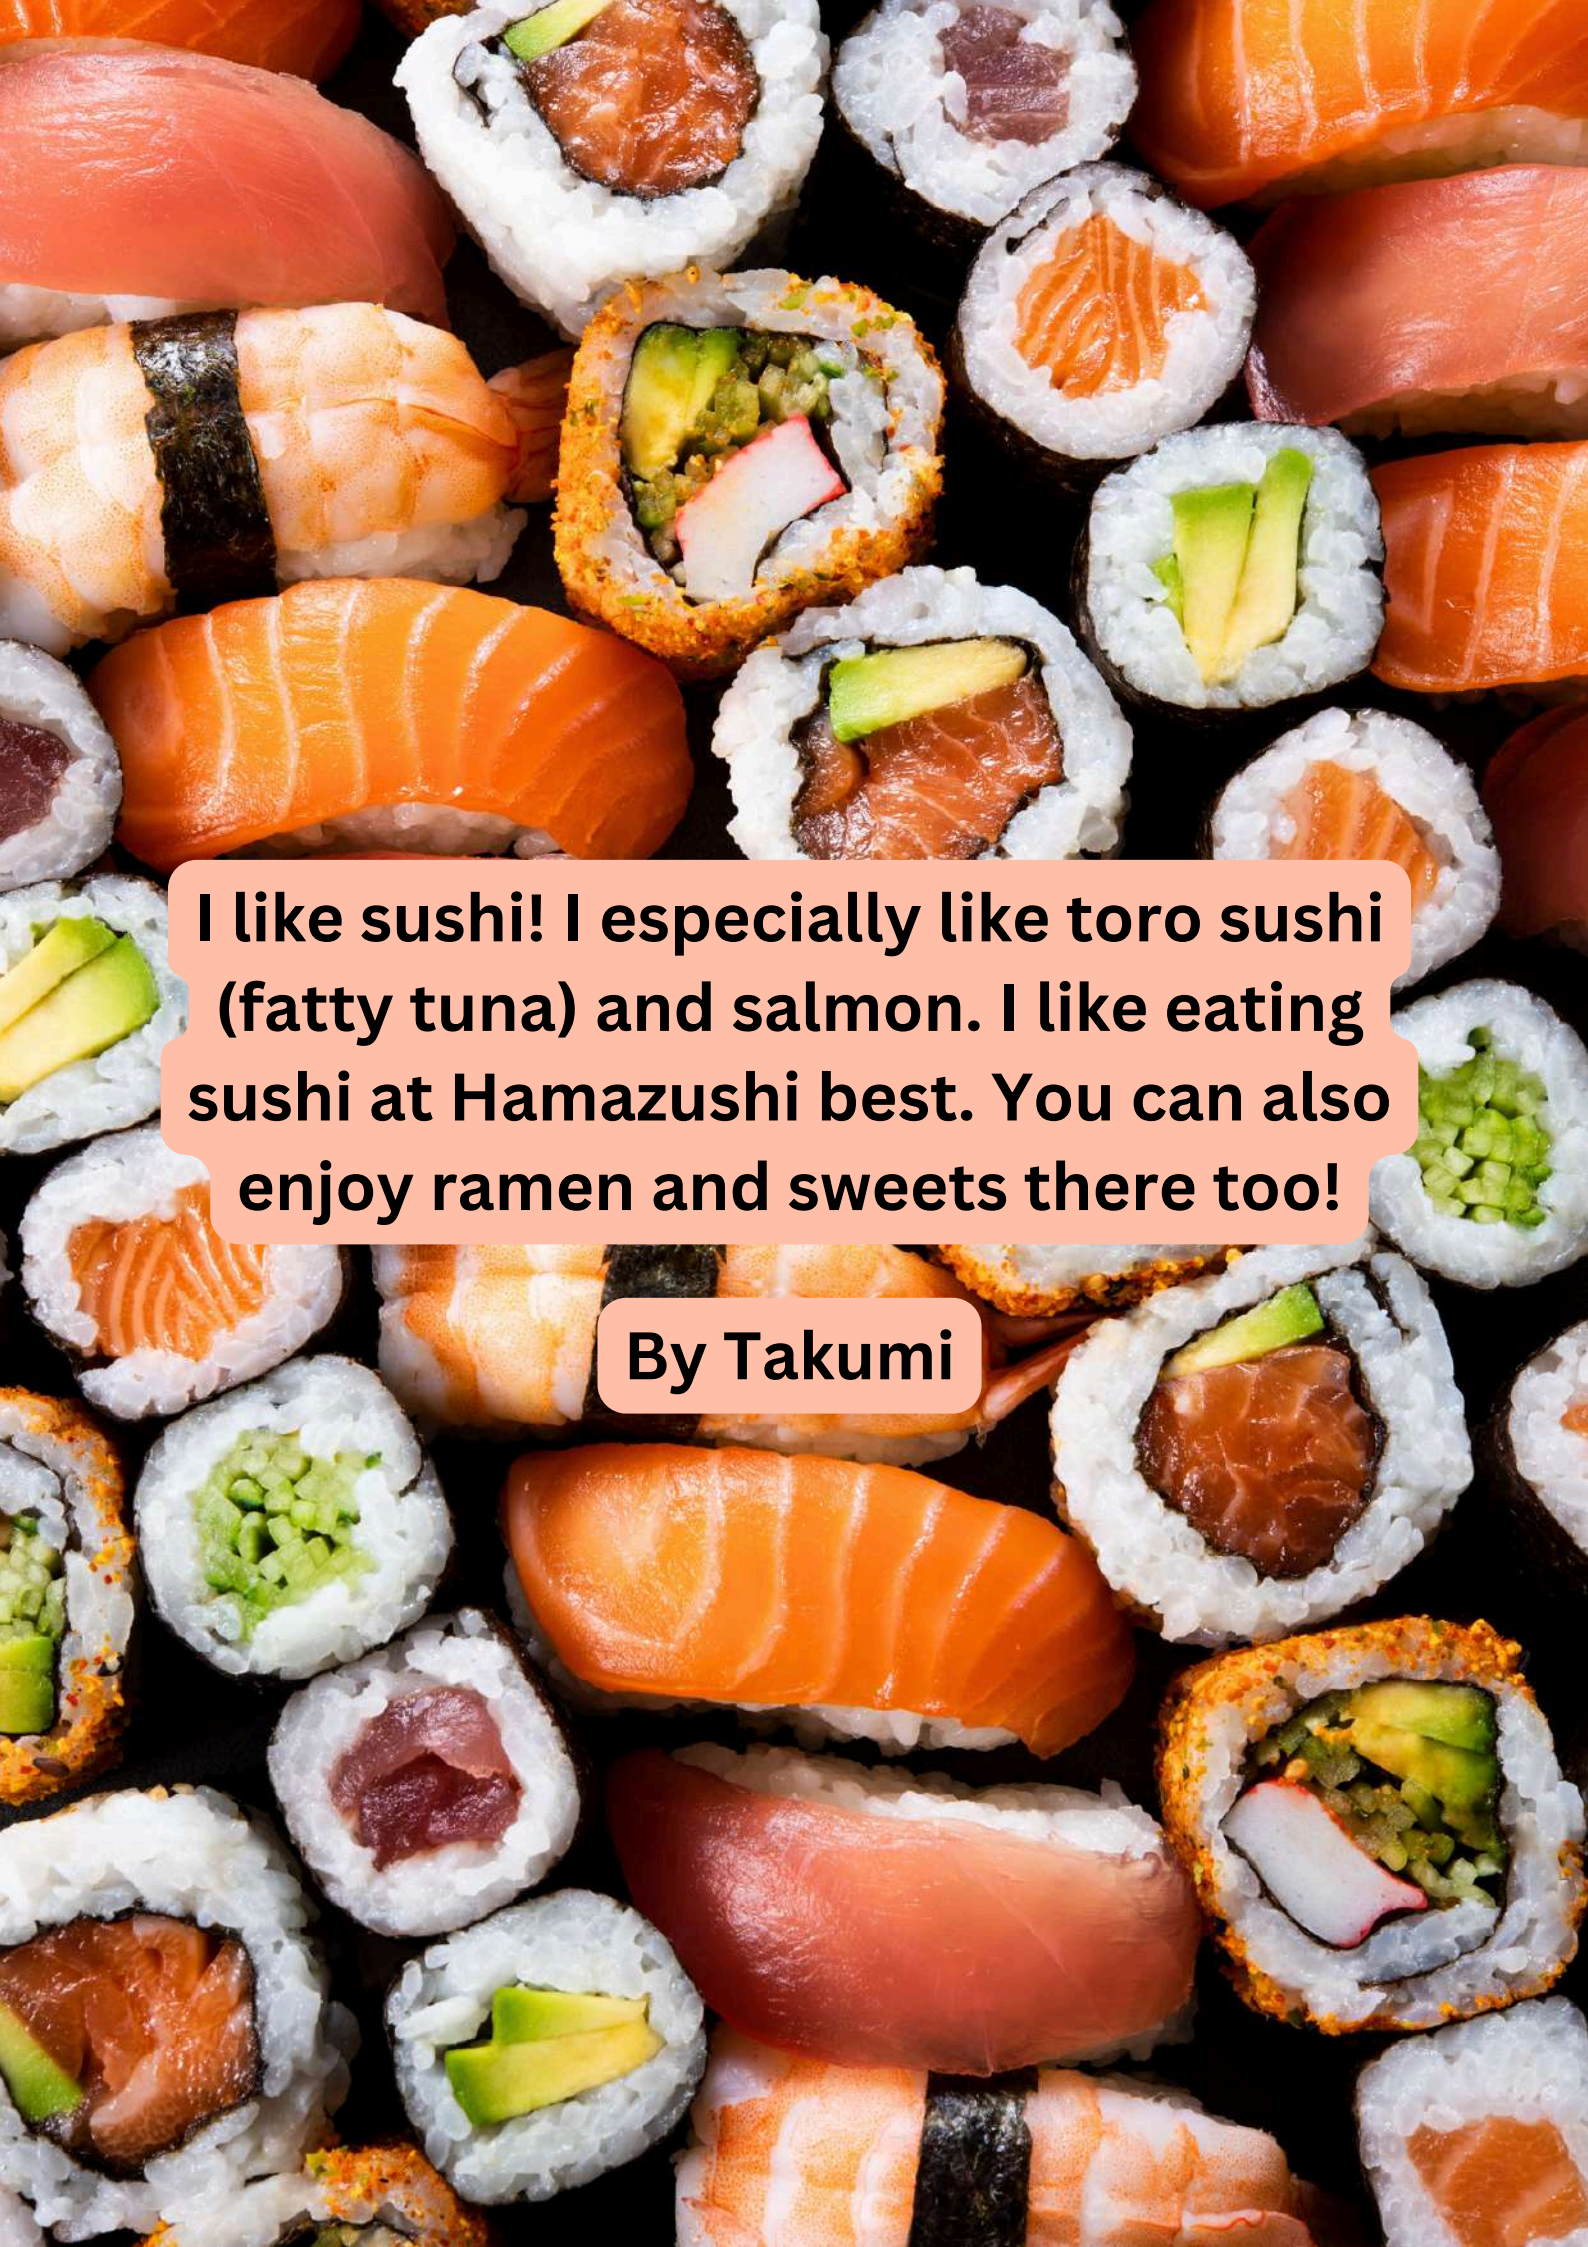

**During winter,
I like ichigo-
daifuku and
sukiyaki.**
